## Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney-client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

Record or Document Requested:

To assist the City with your request, please identify each requested record/document separately. Please be as specific as possible. (Additional sheets may be used) Submit all requests to the City Clerk's Office.

In order to apply for licensure as a Psychologist, the Board of Psychology is requiring police reports from any criminal offense I have committed. In 2009, I [REDACTED] violated Penal Code 372 on June 14, 2009. (It was later dismissed as I was charged with Penal Code 415(2). I am requesting the police report or any documentation related to this with Hermosa Beach PD.

Photocopies are \$0.20 per page (Mailing fee, if applicable is \$3.00 plus postage). Fees must be paid before records are released.

I agree to pay all applicable fees and charges per the City Council Resolution of Fees for any copies I request of the above mentioned document. Accepted method of payment: Cash or check. Credit card accepted in person only.
